## Sponsor a tree for Te Wā!

We want to attract native birds, bees and insects to our living classroom.

We need trees!

We would appreciate you helping us to buy rākau/trees to fill Te Wā ngahere/forest.

Your reward will be a small copper tag with your chosen message attached to the tree you sponsor!

### These plants and trees have been chosen for a range of reasons:

- To provide food supply for birds with berries or nectar.
- To encourage pollinators with flowers
- They are natives and many are used in Rongoā/Māori medicinal treatments
- Ability to tolerate the conditions of the site, provide shelter and look attractive.

The price categories reflect the size they will be when purchased.  
But WOW when they grow, can you imagine how spectacular it will be!  
Rest assured every bit of sponsorship helps!

I, \_\_\_\_\_ (your name) would like to sponsor:

QUANTITY	PLANT NAME	COST
<i>Eg 1</i>	<i>Kowhai</i>	<i>\$10</i>

- Attached is \$\_\_\_\_\_ cash to be returned to the school office
- I have deposited \$\_\_\_\_\_ into the school bank account 12-3098-0257114-00 using my name as the reference.

My contact phone number or email is \_\_\_\_\_

I would like my copper tag to say (please keep 6 words or less due to space):  
*For eg - from the Jones family/ love from Aunty Mavis/ happy planting the Kirk whanau*

Thank you on behalf of the students, staff, whanau, birds, bees and insects!  
You have helped beautify the school even more and given these creatures a new nature playground!  
Please feel awesome that you have improved the air quality of the Kaipara for the future!  
Watch out for an invite to a planting bee if you are keen - but note that isn't a compulsory part of your sponsorship!!
