30 September 2022

Ag Day Final Reminders

One more sleep until Ag Day and just a few final reminders to ensure our day goes smoothly.

Firstly, we are aware that the weather forecast does not look great but are in the difficult position of 'if it doesn't happen tomorrow it doesn't happen at all'. Staff and students have put a huge amount of effort into the preparation and set up for this event, prepped food and student entries will not last the two weeks of holidays before we could possibly reschedule. We also then have the difficulty of Labour Weekend and staff availability AND the following weekend most other local schools hold theirs and we have the issue then of sourcing judges/stewards. So...dig out your raincoats and we will make the best of whatever the weather throws at us tomorrow.

Animal Reminders

Arrive at school from 9am ready for a 9:30 start, and find a spot to settle your animal. Calf 'pens' will all be labelled, please tie animals up in allocated spot and ensure you have water/feed for them.

All calves should have had their NAIT number transferred and ASD paperwork completed. Copies need to have been emailed to Rochelle TODAY, hard copies to be brought in.

Only animals entering events should be at school, NO DOGS please as they can unsettle stock.

Bits and Bobs

CASH only as we are unable to provide Eftpos this year. (We will do bank transfers for cake auction if required)

Classrooms will be open to see indoor exhibits AFTER the cake auction.

Students can take their indoor entries home from 12:30.
