

Our Kids Safety Online - Let's tackle this issue as a Community!

We want our school and our community to be a safe place for all children. Our tamariki are growing up in rapidly changing times, and the risk, frequency and severity of online harm are increasing. We need to tackle this as a community. Therefore, our Kāhui Ako has organised filmmaker, author and speaker Rob Cope, producer of the documentary "Our Kids Online" to come and give what promises to be a humorous and eye-opening evening talk to our parent community.

Rob's talk will cover:

- Cyberbullying
- Social media
- Gaming and the developing brain
- Naked Selfies
- Online predators
- Online porn vs healthy sexuality

Solutions:

- **Filters** - Which filters are best and how to install them
- **Smartphones** - How to lock down a smartphone to make it a safe phone
- **Boundaries** - How to put good boundaries in place around device use
- **3 golden rules** - The 3 golden rules that will keep your kids safe
- **Talking to your kids** - How to have difficult conversations with your kids
- **Challenging our own phone and device usage** - Reconnecting as a family.
